Blending modern comfort with timeless charm, every detail has been crafted for relaxation and sophistication. The privileged location combines privacy with access to resort-style amenities, creating an ideal retreat where sunsets over Es Vedra become part of daily life. Piso Vista Vedra is not just a home, but a front-row experience of Ibiza's most enchanting horizon.

Mediterranean Charm & Bohemian Elegance

The interiors at Piso Vista Vedra are designed for effortless island living, blending soft natural tones with artisanal details and handpicked furnishings. Light flows through every room, enhanced by floor-to-ceiling windows that frame serene views of the sea and Es Vedra.

Simple yet refined, the spaces combine rustic wooden accents, woven textures, and contemporary comforts, creating a warm and inviting atmosphere. Each bedroom offers its own sense of retreat, while private terraces provide the perfect setting to enjoy the gentle sea breeze.

Relaxed, soulful, and authentically Mediterranean, the home celebrates Ibiza's bohemian spirit — where indoor and outdoor living exist in perfect harmony.

Timeless Mediterranean Living with Iconic Views

Set within the grounds of the former Robinson Club, Piso Vista Vedra embraces the charm of traditional Mediterranean architecture — whitewashed facades, terracotta-tiled roofs, and lush gardens dotted with palms, cacti, and bougainvillea. The complex feels both authentic and serene, offering a retreat that is deeply rooted in Ibiza's coastal heritage.

From every angle, sweeping views of the legendary Es Vedra create a dramatic backdrop, making sunsets here truly unforgettable. The community is designed to blend naturally with its surroundings, with stone pathways and shaded terraces that invite slow, easy living.

Located in one of Ibiza's most desirable areas, the property not only offers a unique lifestyle but also a solid investment opportunity, with the region continuing to attract discerning buyers and sustainable growth.
